

ORDINANCE 2019-003 OF THE TOWN OF LAWRENCE, WISCONSIN
TO AMEND SECTION 286-41 – Cross Connection and Back Flow Prevention Ordinance

The Town Board of Supervisors of the Town of Lawrence does ordain as follows:

Section 1: Town of Lawrence Ordinance Section 286-41-Cross Connection and Back Flow Prevention is hereby repealed and replaced to read as follows:

§ 286-41 Inspections.

It shall be the duty of the District to cause inspection to be made of all properties serviced by the District where cross-connection with the public water system is deemed possible. Residential properties serviced by the District shall be inspected on a twenty-year interval. With exception of multi-family properties, all commercial, industrial, and public authority properties serviced by the District shall be inspected on a two, and six year interval. The District may, but is not required to, perform the cross-connection inspection of the owner's property. If, in the opinion of the District, the District is not able to perform the inspection, the property owner must, at his or her own expense, have the plumbing inspected for cross-connections by a State of Wisconsin certified cross-connection inspector/surveyor or by a State of Wisconsin licensed plumber. The frequency of required inspections and reinspections, based on potential health hazards involved, may be shortened by the District. The District shall charge fees as approved by the State of Wisconsin Public Service Commission for on-premises follow-up visits by District personnel for reinspection due to customer noncompliance and for after hours inspections or reinspections.

Section 2: Severability

If any provision of this ordinance is found invalid or unconstitutional, or if the application of this Ordinance to any person or circumstances is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions or application of this Ordinance which can be given effect without the invalid or unconstitutional provision or application.

Section 3: This amendment to existing ordinances shall be effective upon passage and publication as provided by Law.
